Dear Sir,

Subject: Clarifications on Annual Return [Form MGT-7] for FY 2025 – 2026 being filed by the Diffusion Engineers Limited [CIN: L99999MH2000PLC124154]

Please note the following clarification in respect of Annual Return [Form MGT - 7] of Diffusion Engineers Limited for Financial Year 2025 – 2026:

1. Point Number VI(A)- Shareholding Pattern

The shareholding pattern of Promoters as disclosed in Point Number VI(A) of the Annual Return represents the total shareholding of Promoter as well as Promoter Group holding shares in the Company. Shares held jointly with another person are counted as part of the shareholding of the first-named (primary) holder.

2. Point Number VII – Number of Promoters, Members, Debenture holder

Total number of promoters at the end of the year represents both promoters as well as promoter group members.

3. Point Number VI – Break up of Total Number of Shareholders (Promoters + Public/other than Promoters) – Unavailability of male/female bifurcation for 5,616 shareholders

There are discrepancies in the shareholder bifurcation data provided by the Registrar and Transfer Agent (RTA). The gender-wise details of 5,616 shareholders are not available, resulting in a difference in the total count. Accordingly, these shareholders have been classified under the "Other than Individuals" category.

Break-up under "Other than Individuals" as reported in Form MGT-7 is as follows:

Entities: 128

Individuals (gender details not available): 5,616

Total: 5,744

4. Point Number VI(C) - Details of Foreign Institutional Investors (FIIs) holding shares of the company

As per the shareholding pattern as on March 31, 2026, the total number of Foreign Institutional Investors (FIIs) of the Company are 04. The details pertaining to Nationality/Country of Incorporation and Date of Incorporation are not provided by Depositories to the RTA in the beneficiary position (benpos) report. Hence, in absence of availability of these details, the Company has inserted dummy Country of Incorporation and Date of Incorporation to submit the form. Further, the form neither accepts more than three decimals in the % holding nor 0.00 if the shareholding cannot be rounded off to the next number. Accordingly, the details have been

mentioned as "1" and the complete list of 04 FIIs is attached with the form as 'VI C List of FIIs'.

5. Point Number XVI - Details of the Designated Person with respect to Beneficial Interest in shares of the Company

Pursuant to Rule 9(4) of the Companies (Management and Administration) Rules, 2014, Ms Chanchal Jaiswal, Company Secretary and Compliance Officer (ACS 67136) has been designated as the person who is responsible for furnishing and extending co-operation for providing information to the Registrar or any other authorised officer with respect to beneficial interest in shares of the Company.

We request you to take the above clarifications on record.
